

## For Younger Children – all picture books

Title	Author/s	Book Number	Details
I Know a Secret	Annie Kubler	0859533158	Description: A story book that shows children trying to find out details about pregnancy and babies. It does not cover sexual intercourse, it just mentions that you need a mummy's egg and a daddy's seed.
The World is Full of Babies	Debbie MacKinnon Anthea Sieveking	0711221286	This book looks at what babies do and need and compares these needs with the needs of animal babies.
Where Willy Went	Nicholas Allan	0099456486	Does not cover sexual intercourse explicitly (just shows the mother's and father's genitalia as a simple map!) but looks at the sperm that 'race' to meet an egg and a simple look at pregnancy
How Did I Begin?	Mick Manning		A look at how babies are made including a simple look at sexual intercourse.
Made With Love	Kate Petty	0333741862	A look at how babies are made, including a 'gentle' look at sexual intercourse
Mummy Laid and Egg	Babette Cole	0099299119	An entertaining simple look at how babies are made using simplified cartoon pictures
Hair in Funny Places	Babette Cole	0099266261	An entertaining simple look at the changes that happen during puberty
Where Do Babies Come From?	Susan Meredith	0746042450	Small but detailed pocket book that covers pregnancy, conception, sexual intercourse(briefly), birth and a fair amount about babies

## For older Children and Teenagers

Everything you ever wanted to ask about willies and other boy's bits	Tricia Kreitman Dr Neil Simpson	1853406341	A very detailed look at issues most boys would value advice on when it comes to developing, growing up, hormones, moods, sex and being attracted to others
