

Primrose Hill C of E Academy

Growing a brighter future together

24th May 2024: Issue 31

I can't believe we are at the end of another term and nearly at the end of the academic year. Compartmentalising your life into 7 week blocks definitely makes it whizz by! We are at the time of year when we have one eye on the current classes and one eye on next year's classes. We held the Reception 2024 meeting on Wednesday evening and enjoyed welcoming new families to the school as well as siblings of existing children. Year 6 have also started thinking about all of the end of year events we have planned for them. Have a lovely half term and we look forward to seeing you in two weeks ready for term 6.

Boeing

On Friday 10th May we had a team of people from Boeing attend the school to help with our garden project. As part of Boeing's commitment to Earth Day, they work with local projects that are aimed at supporting environmental change. Betsy and the rest of the Eco Council wrote to Boeing to ask if they would support our eco drive at school and help build our new beds in which we hope to grow fruit and vegetables. Eco club and Boeing did a fantastic job building raised beds and moving soil ready for each class to plant their produce. Thank you Betsy, Miss John, Mrs Jones, the Eco council and Boeing for all of your hard work

<u>Events</u>	
Monday 10th June	Start of term 6—8:35am
W/B Monday 10th June	Phonics and multiplication testing week.
Tuesday 11th June	Cricket festival Oak class trip—Chase Farm

MTC/PSC

Year 1 will sit the phonics screening check (PSC) and year 4 will sit the multiplication tables check (MTC) during the first couple of weeks back. Please ensure you keep practising reading and tables over the holiday. If you would like any additional resources, please speak to your child's teacher.

Severn Rivers Trust

Severn Rivers Trust are holding a story and craft event at Lydney Library on Wednesday 29th May between 2:30pm—3:30pm. This event is aimed at children between 6 and 8. I've attached a flyer with a QR code for additional information.

The Library

Denmark Road High School

Attached is a flyer from Denmark Road High School advertising their open morning. This is aimed at girls in year 4 or 5 who are interested in attending a grammar school.

Rowan—Class = Perseverance. Rylee, Alyna, Oliver and Poppy = Generosity. Ella, Phoebe and Wren = Thankfulness.

Attendance

The class with the highest attendance last week was Beech with a very impressive 100%

After school club

Thank you to everyone who replied to the survey about wraparound provision. We are trying to explore options which will enable us to provide later wraparound care without having a detrimental impact on the school budget. One option is to outsource the provision to an external provider. If you, or anyone you know, would be interested in running after school care at the school as a self employed business please let me know and we can begin to have initial conversations.

Lumi Nova

Lumi Nova is a mental health app aimed at children. It is a fun interactive game which uses Cognitive Behavioural Therapy to work through their anxieties and learn skills that will help them in the future. A parent video about the app can be found at <https://luminova.app/> If you have any questions please speak to Miss Parker.

TTRS/Numbots Certificates

Oak = Mustafa

Elm = Lola

Chestnut = Lottie

Birch = Emily

Holly = Amelie

Beech = Ruby S

Rowan = Billy

House Points

Last weeks house points winners were Chestow, well done. Chestow won the termly house point challenge.
