

Primrose Hill C of E Academy

Growing a brighter future together

14th June 2024: Issue 32

This week has been another busy week with sporting events and year 6 residential. We waved our year 6 children off on Monday to Abernant Lake outdoor activity centre. They have had a fantastic time and have really embraced the experience. All children have represented the school well and have been respectful, supportive and willing to try new activities. We are looking forward to seeing them later and hearing all about it. Our cricketers have also represented the school well. The year 3 and 4 teams enjoyed their day on Thursday and finished a very respectable 3rd, missing out on a place in the final by one run! Have a lovely weekend and we will look forward to seeing you on Monday.

Staffing

Following Miss Davies' promotion, we interviewed for a new teacher to join the Primrose Hill teaching team. It was a rigorous day with some great candidates. I'm really pleased to be able to announce that Mrs Becky Deane was offered the role, starting in September. Mrs Deane has completed her teacher training at Primrose Hill and Lydney C of E over the last year and is an excellent practitioner. She will be a great addition to the teaching team. Well done Mrs Deane, we are looking forward to working with you.

Endeavour children

If your child reached the top of their mountain in term 5 we will be taking them on a trip to the Mesne on Monday morning. We will walk the children over to the mesne for them to play in the park before walking them back to school in time for lunch.
